

LOWER DUNGENESS RIVER

Ecological Capital

	0.987	mi/mi ² of Anadromous fish habitat
	1	Distinct Ecoregions
	0	Marbled Murrelet Centers
	0	Spotted Owl Centers

Potential Threats

	3.961	acres are urban
	4.145	mi/mi ² of paved roads
	0.056	mi/mi ² of streams are 303d listed

Ownership Patterns

Acreage		
	0	USFS Watershed Partners
	0	Other USFS Lands
	74.69	US Fish and Wildlife
	0	National Park Service
	0	Bureau of Land Management
	0	Tribal Lands
	21286.68	Private
	1482.43	State
	0	City
	0	County
	194.67	Department of Defense

Location within Drainage Basins

General Characteristics :

Parent 4th field HUC
Sub-basin name =

DUNGENESS/ELVHA

6th field HUC ID =
171100200306

Legend

- Pacific Coast Watershed Partnership Drainage Basins
- Parent 4th field HUC Sub-basins
- 6th field watershed location within Parent 4th field HUC
